TASK FORCE COLLECTION // 2014

Z-8S GTX®

DESIGNED FOR DEMANDING MISSIONS WHEN FAILURE IS NOT AN OPTION.

The new Z-Series collection of rugged multi-function boots is designed to perform under the most grueling conditions, when carrying heavy packs over varied and extreme terrain.

Lightweight and stable, these boots offer the walking comfort of light hiking boots, combined with the support and protection of backpacking boots.

- > Our patented **PU MONOWRAP®** construction keeps weight down, support up. This unique frame construction also features a special medial sole wrap for protection against abrasion while rappelling.
- > Extra-rugged **2.2 mm hydrophobic nubuck (N-versions)** or **2.0 mm split leather (S-versions)** provide durability in harsh conditions, while perforated leather helps feet stay dry.
- > **Lightweight metal closed hooks** allow for speed lacing, meet jump boot requirements

These are some of the details that have earned LOWA ISO 9001 status for highest quality construction and process standards.

NEW FOR 2014 // Z-SERIES COLLECTION

Z-8N GTX® **NEW**

LOWA boots are warranted to be free from defects in workmanship and materials for a period of 12 months from the date of purchase. Your exclusive remedy for break of such warranty is repair or replacement of your LOWA boots at LOWA's discretion. If your LOWA boots need repair or replacement due to defect in workmanship or materials, simply return them to the LOWA dealer where you purchased them. You will need proof of purchase. Make sure that your return request falls within 12 months from the date of purchase.

- See our website at www.lowaboos.com for directory listing of our dealers and warranty FAQ's. Please note that fit, paint thinner and lawn chemicals void the warranty.
- "Fit" is not covered in the warranty. You do the fitting, not us!

All product weights are based on men's 9 and women's 6.5 (or women's 7 for Zephyr GTX® Mid TF Ws). Color and product details subject to change. Actual colors may vary from printed catalog.
