

Product # **57102**

Set of 12 files

Designed like a "Swiss army knife" tool is patented worldwide!
Easy storage! You'll never lose a single file!

Ideal for a body shop

Files lock & release with a press of a button.

Each file is housed in a slide-apart body mechanism.

Body halves are ergonomically correct for singular file use.

Each file measures 3,25 in

Set provides 12 different file shapes : round, half round, flat, knife, triangle, square, barrette, jointing, slitting, marking, equalizing and crossing.

Patent:
Euro Pat. no. : 1927437
